1. I love you Ted, and I thank you for coming again to talk with Me and listen to Me. I appreciate every single person who will but come to Me, even for moments, minutes, and spend with Me whatever they'll give Me, of what I've already given them. I have given them so much. I have given you so much. And you have given Me so much. And that's why I can pour Myself through you like I can, like I do, and like I want to do more, more, so much more.

2. Swirling activity, tired, weary, physical feelings that come and go, come and go, but I am here, and I wait for those who will make Me priority and spend time with Me. I love My people. I love My creation. I have given so much, and I have so much more to give, to give, to give each one.

3. How often will I say this? I say it everyday. My mercies are new every morning. I awake refreshed every day, for I am everyday, I am that I am, and I slumber not, but I rest, not like you rest, but like I rest, like I want you to rest in Me. I sleep not but I rest and I want you to rest in Me, rest in Me, and rest in Me to the level that nothing takes your refreshment in Me, away from you.

4. I love you, I love you, I love you.
I love My people. I love you My reader, My hearer, oh listener to My heart.
I love you. I love you. I love you.

5. The weekend, the week ahead, the months close by—so much change, so much change, so much drastic change. Growth, maturity, decisions to walk by My side, and in Me, made by many. Great change, great growth, but not coming as many desire it to come.

6. I have My ways, I have My plans, I walk, I come, I call, and I execute My actions, in sync with all of prophecy and all of future ahead. I wait, I come, I am, and I change things. I create, I come, I call, and I watch and look constantly for those who are looking and listening for Me.

7. My heart beats fast, Ted, for those who truly look for My appearing—if they only knew. You will know. You will know. And many will know. For sharing Myself so incredibly freely I am, now, now, fully, unveiled, waiting, watching, wanting, seeking, and thrilled when any heart moves toward Me at all.

8. Colleges change, education changes, leaders change, as I invert and re-assert My ways, My plan, My desires, and My order into facets of My creation who await My presence and love My coming, and value My values, value My Word, value My words, and spend time with Me.

9. Oh great change, while so many sleep, so soundly, thinking and feeling that all is well and all will stay as it is now, not seeing that which is so clear, so clear, so very, very clear, coming at light speed, to facilitate change, change, change.

10. Oh how happy will some be, for a while, for a while, for a short while, not realizing the implications and ramifications of what is right behind, what is rolling and what forces are interacting to facilitate these changes.

11. Do not fear Ted. Do not fear, My lambs. Do not fear, My loved ones who love Me so much. I am here. I am here. I have not left and I am not powerless, nor My eyes dim, nor My arm shortened, nor am I executing guilt on the guiltless. But I come and I change and I create and those that are steadfast in Me and seize the opportunities that I present before them so clearly, those who are ready, those who are pure, those who seek Me and not man and man's accolades, but Me, Me, Me, will I employ and elevate and utilize in ways uncommon, but mighty, in newness of Me, in networks of Me, and in positions that do not now exist.

12. Be not content to seek the approvals of man, the accolades of colleagues, the pat on the back from those close to you, but seek Me. Be not content to force from your mind that which tells you great change is coming, playing the ostrich, hoping and praying things stay the same. Come to Me, please, and prepare, prepare, be ready, mature quickly, quickly, quickly, in My presence, at My knee, holding My hand.

13. Much change, much change, much change. Delivery systems, manufacturing systems, processes and products will undergo great changes and massive redistribution of many elements and compounds will take place. Many are not ready. Few are ready. But I come and I call and I plead and I even beg. How ludicrous, that I should beg My creation to come to Me to accept what I have provided and want so much to provide and protect and elevate. But I love, I love, I love My creation. I love every man, every woman, every boy, and every single girl. I caress, I adore, I wrap My arms around every one born, Ted, every one created, every one, every one, every one, valued and unvalued.

14. Much change, much change, much change, is here, here, here, coming, here. Wisdom, wisdom, wisdom calls in the streets, in the streets, in every street, in every place, in every town and township, and in very street of every township, all over My earth. Wisdom calls, wisdom calls, wisdom calls.

15. Answer the call, answer the call. Please answer the call that goes forth day after day from the Ted's that will issue My call, whatever their name, wherever they are, unafraid of man's reception of My call, My calling, My callings, to My people, My callings, upon them and to those around them and all who will listen to them. My people, My people, My people.

16. I have My hand outstretched awaiting you, to embrace you, and lead you across waters with mapless journeys, of Me, with Me, without fear, but requiring courage, requiring faith, resolve, tenacity, guts. I am there and I am with you and I love you and I

want to elevate you, so hear Me well, hear Me well, hear Me well, you're Mine, Mine, Mine, and no one else's, no one else's, no one else's.

17. You come, you call, and let Me confirm, and we'll create. Just let Me be Me, in you, with you, all the way. Fear not, come, let Me confirm, let Me heal, let Me strengthen, let Me be Me, and I will thank you forever, for you will be thankful forever, and our relationship will be one that you will cherish and protect and nourish, with Me, at My table, everyday.

18. I don't speak creativity in fatigue. I speak creativity in rest, calm, and purity.

19. Come, rest, and prepare for great creativity, which will come forth, come forth, has already come forth, and awaits you.

20. Shrink not back. Fear not. Rest.
21. Rest, rest, and create.
22. I am upon you.
23. Fear not, but enjoy, enjoy, enjoy.

24. Build on this week for foundations are laid.
25. Revelation speaks and has spoken.
26. Great giants, great hearts, expanding global giants are expanding.

27. Two years, two years, open doors, fulfillment, rejoicing, of Me, of Me, of Me.

28. Oh Ted, such great rejoicing. Out of nothing, formed from not even dust, but through Me. Oh joy, oh sweetness, oh fulfillment, oh giants, oh healing, oh creativity, oh synergized ones for Me to facilitate the maximizing of My Mine in powerful positions of prowess and palatial grandeur the world has never seen—of Me, of Me, in Me, reflecting Me.

29. Not you, Me.
Not you, Me.
Not you, and you know it, and you will always know it.
Me.
And I thank you.

30. Tender be, tender be, tender be.
Creating, innovating, creating, walking through Me, My body, My provision, My relationships, My jewels, shining, shining, glimmering, in Me, Me, Me, My Mine, in freedom, freedom, no longer juxtaposed subservient, but operating of Me in My realm, My realms, My kingdom, upon the earth, reflecting Me.

31. Take your place, My body, take your place.
Freedom, freedom, freedom.
Activate, arise, roam free, in freedom.
Create, create, create.

32. Love, love, love. My love, My love, My love.
My love for all, permeating all, healing all.
Elevation, escalation, promotion, freedom.

33. So many—no clue.
The discerning—so clear.

34. Of Me, of Me, of Me—Mine, for Me, for Me, accomplished only by Me, for My Mine, for My glory, in permanence, impregnable, powerful, raising up My dirt floored to positions of victors in wars of unseen generals in forces for Me.

35. You'll see.
36. You'll lead.
37. Purity, purity, purity.
38. Meekness, meekness, meekness.
39. Humility, humility, humility.
40. Deference, deference, deference.
41. Patience, patience, patience.
42. With Me, in My presence, often, daily, more.

43. Power, power, power, for My people.
44. You are empowering My people to walk in their calling, their election sure, and foundations strong, unassailable be, integrity of Me, simple be, Mine.

45. I thank you.
I thank you.
I thank you.
